Protect yourself online

Top tips to keep your money safe

Are you shopping for something for the summer holidays or possibly a winter treat? We've got some important tips to help you stay safe when you're shopping online.

Tip #1 Only buy from websites you know
Think before buying luxury items at bargain prices. If it looks too good to be true, it probably is.

Tip #2 Stay safe
To make sure your money is safe, only pay with your bank card or credit card. Remember: Don't shop online using free public Wi-Fi.

Tip #3 Look for the padlock symbol
The padlock symbol at the top of your screen means that you are safe online.

Public Safety Notice

Keep Your Belongings Safe!

 Be aware! Take care and keep your things safe. When you are out and about, never leave your bag or your other valuables unattended in public places.

Don't show off your belongings. Keep things like expensive jewellery or cameras in your bag or your pockets.

Mobile phones are the most common items stolen, so make sure you keep your phone safe. If you're not making a call, don't leave it out where everybody can see it. Carry your phone in a front pocket or put it in a bag.

If you would like more information about staying safe you can pick up our leaflets in police stations and libraries.
