Dear Sir or Madam

Do you have a pet? Can you and your pet spare up to four hours every week?

Many people in care homes can no longer look after a pet. This can make them feel sad. Pets visiting the care home help brighten their day. They can cuddle and stroke the pets. We ask that you visit during the day between Monday and Friday.

Size does not matter. We have had dogs, cats, rabbits, goats and even horse's visit! Other pets are welcome. Make sure your pet is used to noisy groups.

I'm looking forward to hearing from you.

Yours faithfully

Alex Flood

Hearing Dogs Need You!

Like dogs? Does your home have a back garden? We need people to help train our puppies to be hearing dogs. The puppy will live with you from 7 weeks old until they are about 16 months.

You must be at least 18 years old. You can't work full time because young puppies should not be left alone for more than three hours.

You'll train the puppy to obey simple commands. The puppy will need long walks. Hearing dogs need to get used to all sorts of sounds. A team leader is always here to help.

Do you think this is for you?

Give us a ring on **01602-544322** today.
